

## **Psalm 46**

God is our refuge and strength,  
our safety in times of trouble.

We are calm though the whole earth trembles,  
and the cliffs fall into the sea,

Our trust is in the Unnamable,  
the God who makes all things right.

Come see what God has created  
the miracles God does for humankind.

God puts an end to our wars  
and snaps our weapons like twigs.

God offers us God's abundance  
and God's peace, to the ends of the earth.

God whispers to the heart, "Be still  
and know that I am within you."

**[All]** Our trust is in the Unnameable,  
the God who makes all things right.

## **Prayer**

God is with you,  
And also with you.

Let us pray:

AMEN!
